Warminster School		0820	1710	

Please note: Please ensure that your child is at the pick-up point in the morning in good time, as the bus will not wait for late arrivals. Several of the stopping points, though safe for a short halt, would cause serious inconvenience to other road users if the bus waited for more than the minimum time.

Siblings will be charged 75% of the above costs; regular one-way trips will be charged at 60%.
