

BUS PASSENGER BEHAVIOUR CONTRACT

CODE OF CONDUCT

All pupils have a right to feel safe and secure whilst travelling on our bus service. To this end, pupils are considered to be subject to normal School Rules from the moment of their arrival at their bus collection point in the morning until their return to that point at the end of the day.

In particular:

1. Pupils should be in correct school uniform when travelling and should not board the bus in dirty or muddy games kit.
2. Pupils must follow instructions from the Bus Prefect whilst travelling on the bus.
3. Pupils must treat all the bus passengers with respect and consideration. Bullying or intimidation of other passengers, through whatever means, will not be tolerated.
4. Pupils must remain seated, with their seat belt fastened, throughout the journey and must not move about the bus while it is in motion. Bags must be stored safely and in compliance with the driver's instructions.
5. Pupils must behave properly at all times, must respect the bus driver and the general public, and refrain from any behaviour which is likely to harm the good reputation of Warminster School.
6. Pupils must take responsibility for their fellow passengers and should report any incident of misbehaviour to Dr Martin or Mrs Nurdin as soon as possible.

Warminster School provides a daily bus service to transport pupils to and from School as a service to assist parents and to reduce the number of parents who have to make the journey to School twice a day. It is not an automatic right that all pupils may use the School's transport services. Pupils must comply with the Code of Conduct at all times. The School reserves the right to withdraw the use of the service from any pupil who fails to comply with the Code of Conduct.

I agree to abide by the Code of Conduct and understand that failure to do so may result in my losing my place on the bus.
