An excellent season for the 2XI. He has developed every week becoming technically better & physically stronger. 3nd XI Hockey Moritz B. Mortiz has improved tremendously since taking up hockey this season. His work rate was brilliant, and he has developed a great carrying position. U15A Hockey George G. Some tenacious tackling putting his body on the line. U14A Hockey Felix D. Felix has developed well in his role as the screen, breaking up play and then linking well with his attacking teammates U14B Hockey Jerome K. For working hard in defence and developing his hockey brilliantly over the term. 1st VII Netball Molly C. Molly turned over 2 vital interceptions to change the game entirely. An epic performance at WD U18B Netball Tilly R. Tilly played amazingly and fought hard, especially in the 4th quarter with several intercepts which shortened the gap in the final score.
